## **STATE-OF-THE-ART TECHNOLOGY:**

- GreenEarth Cleaning – You invest in your clothes; we invest in the technology to care for them. Our exclusive system is gentle on your clothes and our environment. You can actually see and feel the difference it makes. Whites are whiter, colors are brighter, clothes feel softer and last longer!
- Express Bags – Two free garment bags with barcode identification let us know they are yours. Drop them

off at any of our many convenient locations; your handling requests will be stored, so you won't have to remind us ever again.

- Express Checkout – State-of-the-art computer security enables the fastest checkout possible—no standing in line to pay ever again!

## **FOCUS ON PEOPLE:**

- Customers – We value our customers, so we do everything we can to provide them with the highest quality, most convenience and friendliest service possible.
- Employees – We help our employees achieve their full potential. We firmly believe happy, knowledgeable, and well-trained employees are better able to serve our customers and ensure the success of our business.
- Community – It is our honor to partner with several local organizations to impact the lives of those in need. We look forward to supporting our community for years to come.

Our commitment to being the best at what we do — and doing it more efficiently, sustainably and economically — has made Today Cleaners the “Best of Kern” for 28 years in a row. Thank you for trusting Today Cleaners to help you look and feel your best!
